All pets will be evaluated for the presence of **external parasites** when they are checked in. If they are found, your pet will be treated with an oral medication called Capstar which will kill fleas immediately. You also have the option of purchasing a monthly flea product.

In the event that my pet is having anxiety while being boarded, I understand that TVH will administer an anti-anxiety medication if deemed safe by the veterinarian. I understand I will be responsible for the cost of medication and will pay upon pick up.

X _____
In the event my pet develops any condition which requires medical attention while boarding I give my consent and permission to TVH to initiate necessary, reasonable treatments if I am unreachable. I understand I am responsible for payment of these services when I pick up my pet.

X _____
In the case of a life-threatening emergency, TVH may transport my pet to and from the Emergency Hospital for overnight care. I will be responsible for any fees incurred at the other hospital. If I do not agree to this, I understand I am responsible for the consequences and relieve Tierrasanta Veterinary Hospital and its agents from responsibility. I also understand this does not limit any responsibility for emergency services performed at TVH. I will be responsible for paying for emergency services if they are necessary in addition to the fees for boarding.

X _____
Date _____

- Please transport my pet to an off-site emergency hospital for overnight care if needed.
- Please do not transport my pet to an off-site emergency hospital for overnight care.
